New Business

Transfer Station Hours – The supervisors began a discussion about changing the Transfer Station hours. Rich reported that usually Tuesday is a slow day, and after being closed Tuesday and Thursday during the winter, it takes some time until business picks up. He suggested that we could remain closed on Tuesday and Thursday year around, or possibly close on Sunday. It was decided to monitor the situation, continue thinking over the issue, and make a decision about the hours in the Re-organizational meeting in January, 2027.

Dollar General - Septic Ordinance Letter - After reviewing the agreement provided by Foundry, Inc. on behalf of Dollar General, it was decided to advise Foundry of the need to correct the Ordinance number to 2000-01, and request to include the provision "To require Laporte Township approval if the use changes or the building is expanded." No additional action was taken at this time.

Road Report

Rich Marks reports that the road pipe on Old Route 220 has been replaced.
